HOW DOES IT WORK?

STEP 1

You've made it to our site, now it's time to *schedule your first fitting*. It's as simple as using our online scheduler and finding a time that works for you. We will reach out within 24 hours to confirm your fitting and ask a few questions to help get us started.

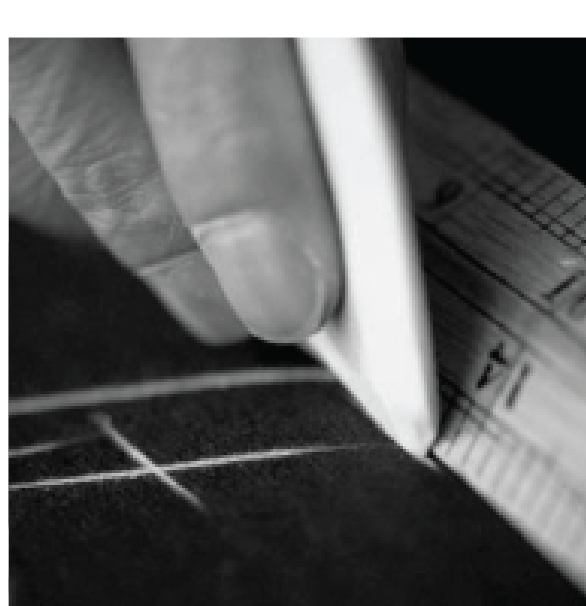

Tailor Cooperative is an Appointment Only suit shop. We do this so we can dedicate time to each of our customers, and create an unrivaled experience that is crafted just for you.

STEP 2

Join us for your *1st Fitting*. We have paired you with one of our Personal Stylists who will walk you through a complimentary 1 hour fitting. We get to know you, take your measurements, and make your first custom suit and shirt selections in the relaxed environment of our shop.

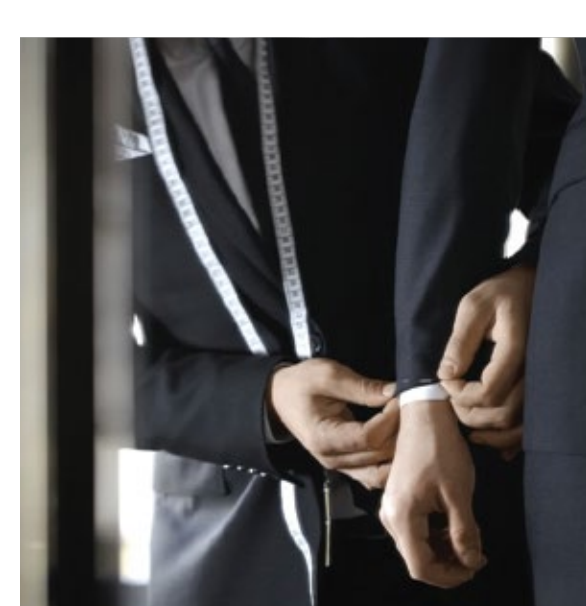

Don't worry, we will send you a few friendly reminders leading up to your selected fitting date, and we'll include all the information you need to feel like you've done this a hundred times.

STEP 3

We take your measurements and selections, and get to work with our partner suitmakers to *make your one-of-a-kind suit or shirt*.

This will typically take 4 – 6 weeks, during which we will send you a few update emails to let you know where your new threads are in the process.

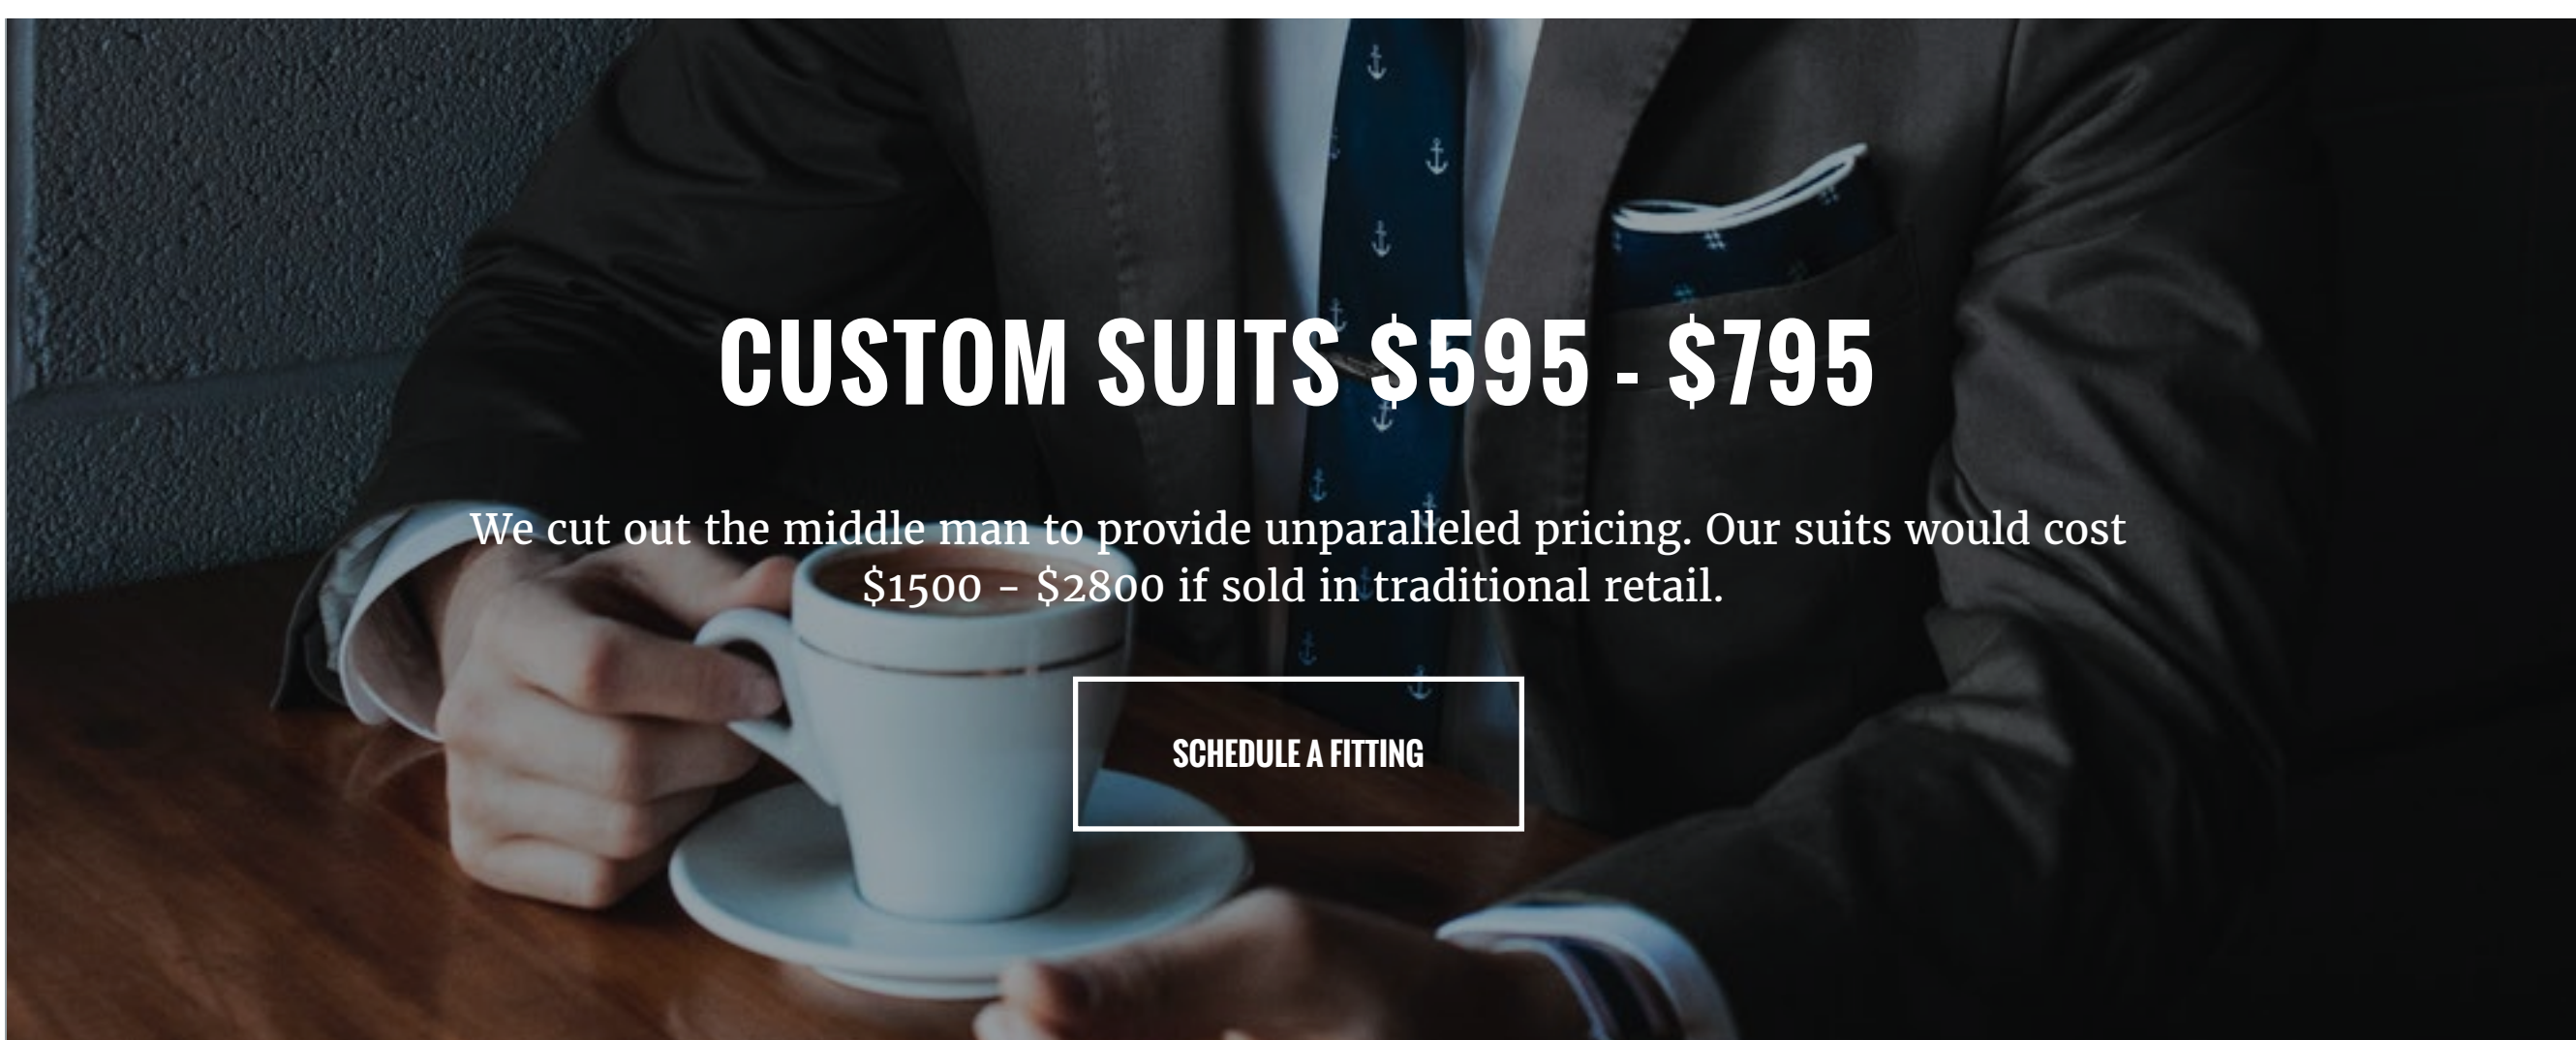

STEP 4

Once your new made-to-measure suit or shirt arrives in Salt Lake City, we'll have you *come in* and try them on. It's time to add your new custom suit and shirt to your closet. Let's make your old clothes jealous!

Our Fit Guarantee means that we are committed to making sure everything you have chosen fits exactly like you want it to. Read more here about how we make sure that happens.
