A pixelated, black and white version of the Twitter bird logo. The bird is shown in profile, facing right. It has a rounded body, a pointed beak, and a single wing with a distinct curve. The entire image is composed of large, square pixels, giving it a retro, low-resolution appearance. The background is white, and the bird is rendered in black and gray tones.

A pixelated, black and white version of the Twitter bird logo. The bird is shown in profile, facing right, with its wings raised as if in flight. The image is composed of large, square pixels, giving it a low-resolution, digital-art appearance. The bird's body is dark, while its beak and the underside of its wings are lighter, creating a high-contrast, two-tone effect. The background is white, and the overall shape is roughly circular, fitting within the circular frame of the social media icons.

A large, pixelated, grayscale image of a stylized letter 'A' or a similar abstract shape, composed of many small squares. The shape is dark gray/black and stands out against a lighter gray background. It has a jagged, blocky appearance due to the pixelation. The 'A' is formed by two main vertical strokes and a horizontal crossbar, with some additional pixels filling in the structure. The overall effect is that of a low-resolution digital graphic or a heavily dithered image.

A large, pixelated, black and white graphic of the letter 'Y'. The letter is composed of many small squares, giving it a blocky, digital appearance. It is centered on a white background.
