## Fatboy's Diner

4.5 ★ ★ ★ ★ ★

Picadilly, London

Now under new management this New York style diner has got more to boast about than simply being the real-life diner featured in Sliding Doors which starred Gwyneth Paltrow and John Hannah.

5 ★ ★ ★ ★ ★

Southbank, London

Great for burgers and fries. They always have cool music playing and the service is friendly and quick. Go for the cheese fries as they are delicious and filling.
