## The perfect gift for any occasion!

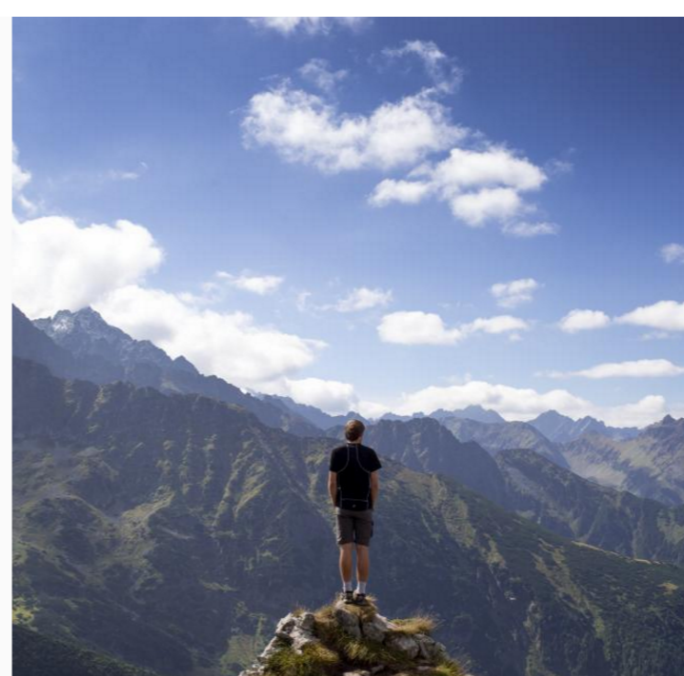

Whether it's their birthday or the "big day" give them a gift that will stand out from all the rest—a collection of messages and photos from all the special people in their life. Best part is you don't have to spend hours putting it all together, that's where Bounded Wishes comes in.

1

### Start a Book.

Create a cover and start your first page.

2

### Invite friends & family.

Assign them pages where they can add photos and write a message to the recipient.

3

### Give a gift they'll remember.

You'll be putting the biggest smile on their face when they see a book created with love by family & friends.
